## **US Army Officer (Public Affairs)**

**Fresno, CA** Graduated 1987

**Position at the Daily:** Staff Writer, University and A&E Desks

**What did the Daily do for you:** The Daily helped me go beyond the basics learned in my reporting and editing classes and into the everyday world of what it takes to get a good story. What I learned in the Daily newsroom started me down the path of success as a reporter and editor, and to my career as an Army journalist, broadcaster and public affairs officer. I consider my time at the Daily to be one of the greatest experiences of my life.
